Let our experienced team take a weight off your mind and run the bar for you. Our 4m rustic reclaimed pallet wood bar is the perfect match for our structures.

Paid bar - £1,600 deposit, which is refunded once £1,600 is taken over the bar. Includes the bar unit, fruit, ice, glassware, barware, staff & waste removal for 8 hours. If £1,600 is not taken over the bar, your deposit will not be refunded. If you require more than 8 hours of service, increase the deposit by £200 per hour. Delivery charged over 10 miles.

Please find our current bar pricelist on page 4, and if you'd like to pre-order anything from our broader range at a discount take a look at page 5. If there is a specific drink you'd like us a stock then please get in touch and we'll let you know if it's possible. If you would like to provide any of your own wine/prosecco there is a corkage charge of £10 per 750ml bottle which includes all of the above. On our paid bar we can accept cash, as well as card as long as there is a good 4G signal or nearby wifi. We will organise and cover the cost of the temporary alcohol license required for the duration of your event.

If you'd like to pre-order any drinks, please let us know at least 6 weeks before your event so we can include them in your quote. Anything you pre-order from does not count towards your bar minimum spend and will need to be paid for along with your final balance. At this time please inform us of your cocktail choices. Let us know if you're having more guests in the evening so we can come prepared and ensure no one goes thirsty!
